### **Description of Higher Education Professional Experiences**

*Responsible for mentoring and training field education students from local seminaries. Developed site team to oversee and facilitate orientation into clinical setting, weekly review and reflection, individual supervision and guidance in non-parish related setting. Responsible for assessing and evaluating students' readiness for ministry. Maintained budget, fundraising activities, and overall administration of program.*

*Doctor of Ministry program- responsible for students completing doctoral program with clinical emphasis while adhering to program standards and requirements. Successfully mentored all seven students through graduation while initiating a new program.*

### **Description of Hospital Professional Experiences**

**1994 - Vice President of Mission and Spiritual Care** - Responsible for administering the Mission and Spiritual Care functions in hospital sites of care in light of the Advocate Mission, Philosophy and Values. Directs clinical pastoral education activities. Assists in Advocate System ACPE accreditation review. Represents the MVP perspective in programs throughout the hospital, church and community. Provides pastoral care, support and spiritual counseling to patients, families, staff, physicians, and leadership in an ecumenical environment. Consults and educates leadership relevant to religion and health, medical ethics and decision making both within the facility and in the community. Responsible for Patient Rights orientation, education, and implementation at Bethany sites of care. Promotes system integration through participation and leadership in Advocate activities, committees, and task forces, through sharing of information and resources with personnel and departments of other Advocate sites of care. Serves as Religion and Health consultant to Central Region management team.

**1992 - Chaplain Supervisor** - Responsible for pastoral care education of seminary students, community clergy, lay persons in ministry of pastoral care in an accredited program of Clinical Pastoral Education. Worked closely with VP of Religion and Health in the administration of the department. Helped recruit, interview and evaluate supervisor in training, chaplain residents, and students. Assisted in EHS Cluster accreditation reviews. Participated on EHS Cluster Education and Administration Committees. Supervised Advanced and Basic CPE. Helped to insure that medical ethics, cultural diversity and EHS Philosophy and Mission are addressed in CPE. Participated in hospital task groups at request of senior management and VP of Religion and Health. Provided pastoral care and sacramental ministry to patients, families and staff of hospital. Represented hospital and department in local and national religious groups and professional organizations.

**1989 - Staff Chaplain** - Assisted in the development of the Department of Religion and Health in a newly acquired EHS community hospital. Provided pastoral care, support and spiritual counseling to

patients, families, staff, administration and physicians. Participated in hospital wide committees, task forces, strategic planning. Served as liaison between the hospital and religious communities. Conducted employee support groups. Position involved contact with persons of all faiths, community organizations, funeral directors, police department and health care institutions. Supervised five chaplain students at the 600-bed University of Chicago Medical Center while completing training for ACPE certification.

**1988 - Staff Chaplain** - Provided pastoral care in a 700-bed hospital. Served as an Anatomical Gift Counselor as trained by the Medical College of Georgia. Served as HIV Pre-Post Test Counselor as trained by Richmond County, GA Health Department. Functioned as part of the interdisciplinary health care team. Utilized pastoral care/counseling spiritual assessment tools and quality assurance monitoring. Provided educational programs for community related to death, grief, and crises. Developed CPE program under the supervision of ACPE Certified Supervisor.

**1987 - Supervisor In Training** - Supervised seven clergy students under the supervision of CPE Supervisor. Co-supervised eighteen clergy students under supervision during my training period. Provided pastoral care coverage along with department staff to patients, families and hospital staff. Represented pastoral care in the development of hospital's first perinatal loss program.

**1986 - Chaplain Resident** - Initial training program in CPE. Provided pastoral care to patients on OB/GYN, and intensive care unit.
